

Hi, how can I help?

## Just start with “Ok Google”

“Play some music”

“How far away is the moon?”

“What’s the weather tomorrow in Melbourne?”

# Just start with “Ok Google”

## Use these anytime

“Stop”

“Turn it up”

“Volume level 6”

“Repeat that”

“What can you do?”

## Stay up to date

“What’s the weather today?”

“What’s the latest news?”

“Did Melbourne City FC win?”

“What’s the value of the Australian Dollar?”

## Plan your day

“When’s my first event tomorrow?”

“Wake me up at 6am tomorrow”

“Tell me about my day”

“How long will it take to get to work?”

## Ask Google

“What does circumlocution mean?”

“How many calories in an apple?”

“How do I say hello in Spanish?”

“What’s 25 times 83?”

“What is the capital of New Zealand?”

“What is the radius of the sun?”

## Local businesses

“What is the nearest chemist?”

“When do they close?”

“What is their phone number?”

## Music and radio

“Play some music”

“Play my Discover Weekly playlist on Spotify”

“Pause”

“Next song”

## For the kitchen

“Set a timer for 15 minutes”

“How many millilitres in a cup?”

“Add butter to my shopping list”

## Control your media

“Play how to cook steak videos on TV”

“Pause the Living Room speaker”

## Control your home

“Dim the lights in the kitchen”

“Is the light on in Amy’s room?”

## For fun

“Tell me a fun fact”

“I’m bored”

“What sound does a cow make?”

## For more things to try go to
