Front Load Washing Machine

6kg Capacity

Getting Started...

Using Your Washing Machine

After loading the laundry and measuring the appropriate detergent, close the machine door. Then turn the dial to the desired program, select any additional options and press the Start/Pause button to begin your cycle.

At the end of the cycle, the washing machine will make an audible tone. It is recommended when you are done with the machine that it should also be turned off from the power outlet and you also turn off the water supply for safety reasons.

Operating Your Washing Machine

Off
When the Program dial is in the 'Off' position no power is supplied to the unit.
