## Pedi Luxe Foot Spa

Instruction Manual and  
Warranty Information

**1** year limited warranty

FB251

## IMPORTANT SAFEGUARDS:

*WHEN USING ELECTRICAL PRODUCTS, ESPECIALLY WHEN CHILDREN ARE PRESENT, BASIC SAFETY PRECAUTIONS SHOULD ALWAYS BE FOLLOWED, INCLUDING THE FOLLOWING:*

- **ALWAYS** unplug the appliance from the electrical outlet immediately after using and before cleaning. To disconnect, turn all controls to the '**OFF**' position, then remove plug from outlet.
- **NEVER** leave an appliance unattended when plugged in. Unplug from the mains outlet when not in use and before putting on or taking **OFF** parts or attachments. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they **DO NOT** play with the appliance.
- **DO NOT** reach for an appliance that has fallen in water or other liquids. Switch **OFF** at the mains and unplug it immediately.
- **NEVER** insert pins or other metallic fasteners into the appliance.
- Use this appliance for the intended use as described in this booklet. **DO NOT** use attachments not recommended by HoMedics.
- **NEVER** operate the appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return it to the HoMedics Service Centre for examination and repair.
- Keep cord away from heated surfaces.
- Extended use could lead to the product's excessive heating and shorter life. Should this occur, discontinue use and allow the unit to cool before operating.
- **NEVER** drop or insert any object into any opening.
- **DO NOT** operate where aerosol (spray) products are being used or where oxygen is being administered.
- **DO NOT** operate under a blanket or pillow. Excessive heating can occur and cause fire, electrocution or injury to persons.
- **DO NOT** carry this appliance by the cord or use cord as a handle.
- **DO NOT** use outdoors.
- This product requires 220-240 V AC power.
- **DO NOT** attempt to repair the appliance. There are no user serviceable parts. For service, send to a HoMedics Service Centre. All servicing of this appliance must be performed by authorised HoMedics service personnel only.
- **NEVER** block the air openings of the appliance or place it on a soft surface, such as a bed or couch. Keep air openings free of lint, hair etc.
- **DO NOT** place or store appliance where it can fall or be pulled into a bath or sink. **DO NOT** place in or drop into water or other liquid.
- The appliance has a heated surface. Persons insensitive to heat must be careful when using the appliance.
- If water leaks from the appliance, the appliance should no longer be used.

## SAFETY CAUTIONS:

*PLEASE READ THIS SECTION CAREFULLY BEFORE USING THE APPLIANCE.*

- If you have any concerns regarding your health, consult a doctor before using this appliance.
- Individuals with diabetes, pacemakers and pregnant women should consult a doctor before using this appliance.
- **DO NOT** use for an infant, invalid or a sleeping or unconscious person. **DO NOT** use on insensitive skin or on a person with poor blood circulation.
- This appliance should **NEVER** be used by any individual suffering from any physical ailment that would limit the user's capacity to operate the controls or who has sensory deficiencies in the lower half of their body.
- If you feel any discomfort whilst using this appliance, discontinue use and consult your doctor.
- This is a non-professional appliance, designed for personal use and intended to provide a soothing massage to worn muscles. **DO NOT** use as a substitute for medical attention.
- **DO NOT** use before going to bed. The massage has a stimulating effect and can delay sleep.
- Care should be taken when using heated surfaces. If the product feels excessively hot, switch **OFF** at mains and contact the HoMedics Service Centre.
- **DO NOT** attempt to plug or unplug unit while feet are in the water.
- **DO NOT** use this unit for longer than 60 minutes at a time. Extensive use could cause excessive evaporation of the water, and / or cause the product to overheat. Should this occur, discontinue use and allow the unit to cool before operating.
- If you experience pain in a muscle or joint for a prolonged period of time, discontinue use and consult your doctor. Persistent pain could be a symptom of a more serious condition.
- **NEVER** use any foot spa on open wounds, discolored areas, or any area of the body that is swollen, burned, inflamed or where skin eruptions or sores are present.
- Use of this product should be pleasant and comfortable. Should pain or discomfort result, discontinue use and consult your GP.
- Ensure that your hands are dry when operating the controls or removing the plug.
- This product should **NEVER** be used by any individual suffering from any ailments that would limit the user's capacity to operate the controls.

## PRODUCT FEATURES:

or easy water disposal

FIG. 2

FIG. 3

FIG. 4

## INSTRUCTIONS FOR USE:

1. Ensure that the unit is unplugged before filling with water. Fill with warm water to the MAX fill line located on the inside of the tub.
2. Place the unit on the floor in front of a chair. It is recommended to place the product on a towel.
3. Plug the unit into a 240V AC power supply.
4. Sit down and place your feet in the spa.
5. To operate the unit:  
To activate vibration massage, press .  
To activate Bubble Massage, press .  
Vibration and Bubble massage settings can be used separately or at the same time. The vibration massage can be used with or without water. The bubble massage must only be used with water.
6. The default time is 30 minutes – to enjoy the footspa treatment for longer press to increase to 45 or 60 minutes. The lights on the display panel will indicate which setting is selected.
7. To activate the water heater press the indicator light will show. The water heater will heat the water to maintain the temperature between 40-45°C. To deactivate the water heater press the button again. N.B. When filling the footspa use warm water, the heater is not designed to heat the water from cold. Perception of temperature is individual: If the water feels uncomfortably hot, turn off the heater and allow to cool.
8. Enjoy a deep massage by sliding feet back and forth over the stimulating nodes and rollers on the footspa floor. The fixing bracket from one side will come away with the roller, take care not to lose this. To reassemble: 1. Insert the free end of the roller into the fixed bracket. 2 Carefully clip the other end, with the bracket attached, back into place.
9. Move your foot over the exfoliating pumice stone to smooth the skin. To change between the coarse and fine stone simply lift the attachment and replace.
10. To turn off, press the buttons again to deactivate. N.B. The product will automatically switch to stand-by mode after the chosen treatment time is up. To continue your footspa treatment, repeat steps 5-7.
11. To empty: First ensure the unit is turned off at the power switch, then unplug the unit. Tip the unit, allowing water to pour out along the drain spout (see fig.3). **DO NOT** pour water over the control panel.

## MAINTENANCE:

### CLEANING

Unplug the foot spa and allow to cool before cleaning. Clean only with a soft, slightly damp sponge.

- **DO NOT** immerse in any liquid to clean.
- **NEVER** use abrasive cleaners, brushes, glass / furniture polish, paint thinner etc to clean.

### TO STORE

Once dry, place the appliance in its box or in a safe, dry, cool place. To avoid breakage, **DO NOT** wrap the power cord around the appliance. **DO NOT** hang the unit by the cord.

## One year limited warranty

**We** or **us** means HoMedics Australia Pty Ltd ACN 31 103 985 717 and our contact details are set out at the end of this warranty;

**You** means the purchaser or the original end-user of the Goods. You may be a domestic user or a professional user;

**Supplier** means the authorised distributor or retailer of the Goods that sold you the Goods in Australia and New Zealand; and

**Goods** means the product or equipment which was accompanied by this warranty and purchased in Australia and New Zealand.

### For Australia:

*Our Goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled, subject to the provisions of the Australian Consumer Law, to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled, subject to the provisions of the Australian Consumer Law, to have the Goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This is not a complete statement of your legal rights as a consumer.*

### For New Zealand:

*Our Goods come with guarantees that cannot be excluded under the Consumer Guarantees Act 1993. This guarantee applies in addition to the conditions and guarantees implied by that legislation.*

### The Warranty

HoMedics sells its products with the intent that they are free of defects in manufacture and workmanship under normal use and service. In the unlikely event that your HoMedics product proves to be faulty within 1 year from the date of purchase due to workmanship or materials only, we will replace it at our own expense, subject to the terms and conditions of this guarantee. The warranty period is limited to 3 months from the date of purchase for products used commercially/professionally.

### Terms and Conditions:

In addition to the rights and remedies that you have under the Australian Consumer Law, Consumer Guarantees Act of New Zealand or any other applicable law and without excluding such rights and remedies warranty against defects:

1. The Goods are designed to withstand the rigors of normal household use and are manufactured to the highest standards using the highest quality components. Whilst unlikely, if, during the first 12 months (3 months commercial use) from their date of purchase from the Supplier (Warranty Period), the Goods prove defective by reason of improper workmanship or materials and none of your statutory rights or remedies apply, we will replace the Goods, subject to the terms and conditions of this warranty.
2. We do not have to replace the Goods under this Additional Warranty if the Goods have been damaged due to misuse or abuse, accident, the attachment of any unauthorised accessory, alteration to the product, improper installation, unauthorised repairs or modifications, improper use of electrical/power supply, loss of power, malfunction or damage of an operating part from failure to provide manufacturer's recommended maintenance, transportation damage, theft, neglect, vandalism, environmental conditions or any other conditions whatsoever that are beyond the control of HoMedics.
3. This Warranty does not extend to the purchase of used, repaired or second-hand products or to products not imported or supplied by HoMedics Australia Pty Ltd, including but not limited to those sold on offshore internet auction sites.
4. This Warranty extends only to consumers and does not extend to Suppliers.
5. Even when we do not have to replace the Goods, we may decide to do so anyway. In some cases, we may decide to substitute the Goods with a similar alternative product of our choosing. All such decisions are at our absolute discretion.
6. All such replaced or substituted Goods continue to receive the benefit of this Additional Warranty for the time remaining on the original Warranty Period (or three months, whichever is the longest).
7. This Additional Warranty does not cover items damaged by normal wear and tear including but not limited to chips, scratches, abrasions, discolouration and other minor defects, where the damage has negligible effect on the operation or performance of the Goods.
8. This Additional Warranty is limited to replacement or substitution only. As far as the law permits, we will not be liable for any loss or damage caused to property or persons arising from any cause whatsoever and shall have no liability for any incidental, consequential or special damages.
9. This warranty is only valid and enforceable in Australia and New Zealand.

### Making a Claim:

In order to claim under this Warranty you must return the Goods to the Supplier (place of purchase) for replacement. If this is not possible, please contact our customer service department at the address below.

- All returned Goods must be accompanied by satisfactory proof of purchase which clearly indicates the name and address of the Supplier, the date and place of purchase and identifies product. It is best to provide an original, legible and unmodified receipt or sales invoice.
- You must bear any expense for return of the Goods or otherwise associated with making your claim under this Additional Warranty.
