DOOR BUSTER DEALS GO LIVE AT THE GOOD GUYS

Spring has sprung and so have the Door Buster Deals at The Good Guys, with a huge range of the latest kitchen, appliance and tech offers available to order across Australia.

NSW customers can once again walk the aisles, view the huge range and experience the friendly and knowledgeable service The Good Guys has become known for.

We have important health safety guidelines in place including convenient check ins at store entrances, so all our customers can shop safely. In line with NSW Government requirements, all customers aged 16 and over will be required to show proof of vaccination or medical exemption during this check in process.

All customers are important to The Good Guys, for those customers unable to visit the store, we have phone sales on 1300 942 765 or shop online with fast delivery and contactless [Click & Collect](#) to help everyone take advantage of the deals on offer.

Live and ready to go, customers can discover Door Buster Deals like these and more at The Good Guys from Wednesday 13 October.

THE MODERN CLASSIC Cleaning up the kitchen in style is on the menu with the [Omega 60cm Freestanding Dishwasher – Black](#). The 12 piece setting capacity takes care of the mounting dirty dishes while the impactful black stainless steel finish makes this a 2021 classic already. The internal stainless steel finish is hygienic and resistant to corrosion and heat and the 4.5 Star WELS rating helps to reduce water usage and drive efficiency.

ONE BILLION REASONS TO GO LARGE Hisense has taken home viewing to IMAX cinematic levels with the [Hisense 75" U8G 4K ULED Smart TV](#). Quantum dot technology allows for smooth graduation of more than one billion colours to deliver the highest quality clarity and contrast and the DTS audio technology creates impactful sound for all the movie favourites and sporting moments. The Game Mode automatically connects all compatible consoles with a fast A7G Variable Refresh Rate, making this an epic all-rounder.

STAY COOL AND GET SMART No need to find the remote to warm up or cool down this summer with the clever technology of the [Kelvinator C9.0kW H10.0kW Reverse Cycle Split System](#). The inverter and human sensor directs airflow to ensure maximum comfort, while the wireless connectivity allows for adjustments to be easily made from a Smart Device.

READY, SETTING, GO The 8 washing program settings of the [Simpson 7kg Front Load Washer](#) make it easy to get the best washing results. The high 1200rpm maximum spin speed reliably wrings out moisture from clothing fibers while the 4.5 star WELS rating keeps water usage down.
