## Benefits explained\*

### Certainty

Gold Service Extras offers you the certainty of knowing that if the product you buy is faulty that it is covered for a specific period of time.

### Simple Replacement of Products Valued at \$500 or Less

If your product is valued at \$500 or less and it's faulty, it will be replaced so you don't have to wait for it to be repaired. Simply get in touch with the Member Support Team and they will arrange for an assessment to verify the fault either at your local store for small appliances, or in your home for large appliances. Once the fault has been confirmed, a replacement product will be organised for you.

### In-home Repairs for Larger Items

The Member Support Team will organise a repairer to come to your home to repair large appliances such as fridges, washing machines and TVs. If the repair can't be completed in your home, arrangements will be made to transport, fix and return the product to you once the repair is completed.

### \$100 in Essential Appliance 90 Day StoreCash<sup>></sup>

\$100 in 90 Day StoreCash<sup>></sup> is available on request if you have an essential appliance that can't be repaired within 10 business days of the product being assessed. This allowance is available for fridges, washing machines, TVs, dishwashers, ovens, cooktops and split system air-conditioners and is in addition to any other reimbursements you may be entitled to as part of Gold Service Extras.

### Food Spoilage

A \$100 Payment Card is available on request for food spoilage caused by a verified fault with your fridge.

### Laundry Allowance

\$100 Payment Card is available on request to cover laundry costs caused by a verified fault with your washing machine.

### Transferable Service

If you decide to sell or give away your appliance, you can transfer the time remaining on your Gold Service Extras to another person at no cost. This excludes any 90 Day StoreCash<sup>></sup> and Gold Service Extras Benefits owed to you. Simply call the Member Support Team on 1300 765 988 and they will arrange the transfer for you.

### Repair Period Guaranteed

If your product takes longer than 20 Business days from when we inspect it or receive it to repair, you'll be eligible to have it replaced with an equivalent product. If you'd prefer to continue with a repair you may request a \$100 in 90 Day StoreCash<sup>></sup> instead. The choice is yours!

### Small Office Use

If you have a small business with a maximum of five (5) people, technology products can be covered under the regular Gold Service Extras Program at no additional cost.

### No Lemon Guarantee

If your enrolled product requires repair more than twice during the life of your plan, we will offer you an equivalent replacement at your request.

## IMPORTANT INFORMATION: YOUR RIGHTS IN RELATION TO FAULTY GOODS

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law ("ACL"). You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Goods purchased from The Good Guys also come with a The Good Guys Voluntary Warranty, which is intended to provide you with remedies which are consistent with your rights under the ACL. The Good Guys Voluntary Warranty and your rights under the ACL generally provide protection if your product becomes faulty for longer than the standard manufacturer's warranty even if you do not purchase The Good Guys Gold Service Extras.

The Good Guys Understanding Your Rights brochure (available from <https://www.thegoodguys.com.au/gold-service-extras-terms-and-conditions>) contains further information about The Good Guys Minimum Voluntary Warranty and your rights under the Australian Consumer Law.

### Your Rights under the ACL

The ACL provides consumers' basic, guaranteed rights for goods they purchase ("**Consumer Guarantees**") at no charge. The ACL requires that, taking account of the nature of goods, the price and other relevant circumstances, the goods must be free of defects, do what they are meant to do, be safe, durable and acceptable in appearance and finish, be fit for any particular purpose that the consumer makes known, and comply with any description provided or demonstration model used.

Whether a consumer is entitled to a remedy under the ACL will depend on the circumstances. Consumer Guarantees have no set time limit but generally last for an amount of time that is reasonable in the circumstances, given factors including the cost and quality of the goods and the use made of the goods. Consumer Guarantees may continue even after the expiry of any Manufacturer's warranty for the goods. The exact amount of time that Consumer Guarantees last in the case of a specific purchase varies depending on the circumstances. Consumers with a claim for

breach of a Consumer Guarantee should contact the retailer of the goods at first instance. If you are unable to reach resolution with the retailer or manufacturer as to the remedy, you should seek independent advice and/or contact the ACCC or your state/territory fair trading body.

Certain benefits You receive under Your The Good Guys Gold Service Extras are already available to You under Australian Consumer Law. Some of these benefits include the right to reimbursement of reasonable extra costs or reasonably foreseeable loss You can show resulted from a faulty product. Your The Good Guys Gold Service Extras does not seek to reduce, qualify or limit those rights in any way, but to make enforcement or recovery of these costs simpler and less stressful for You.

The Good Guys Gold Service Extras does not change or remove any rights that the Australian Consumer Law or a Manufacturer's Warranty may give You, but seeks to give You certain further benefits, that may include certainty of outcome.
